It is easy to make mistakes in the treatment of croup, and mistakes mean the sacrifice of little lives.

Foley's Honey and Tar is unconditionally guaranteed by every druggist to cure croup, colds or whooping cough, and to prevent pneumonia, which so often follows diseases of little folks. **Do not accept a substitute.** It may cost a life. **Foley's Honey and Tar is guaranteed.**

Miss Marie Smith, Middleboro, Kentucky, writes: "My little sister had the croup very bad. I gave her several doses of Foley's Honey and Tar, and she was instantly relieved. It saved her life."

For cuts, bruises or sores **BANNER SALVE** is best.
